

VICTIM'S RIGHTS

Crime: A offence committed under the *Criminal Code of Canada*

Victim: A person who, as a result of the commission of a crime by another individual suffers emotional or physical harm, loss of property or economic harm

1. Victims should be treated with courtesy, compassion and respect for their personal dignity and property.

2. Victims should have access to information about services available to them.

3. Victims have the right to access information about criminal processes including:

- the investigation
 - the prosecution
 - any plea and pre-trial arrangements
 - sentencing
 - any application for release of offenders from custody
 - any release of offenders from custody including escape from custody of a convicted offender
-

4. Victims have the right to be notified if the accused person is found unfit to stand trial or found not criminally responsible on the account of mental disorder.

5. Victims of sexual assault have the right to be interviewed by a police officer of the same gender as them.

6. Victims have the right to have their property that is in the custody of the justice system be returned promptly to the victim (where the property is no longer needed for the purposes of the justice system).

SUMMARIZED FROM THE VICTIMS' BILL OF RIGHTS, 1995, S.O. 1995, C.6
